

Patient Complaints Procedure

It is our aim to always have satisfied patients, to meet your expectations of care and service and to resolve any complaints as efficiently, effectively and politely as possible. We take complaints very seriously, investigating them in a full and fair way and take great care to protect your confidentiality. We learn from complaints to improve our care and service. We will never discriminate against patients who have made a complaint and we will be happy to answer any questions you may have about this procedure.

If you are not entirely satisfied with any aspect of our care or service, please let us know as soon as possible to allow us to address your concerns promptly. We accept complaints made verbally as well as written complaints. If you do not feel you can raise a complaint about your NHS service directly with us, you can address your complaint directly to NHS England at england.contactus@nhs.net with 'For the attention of the complaints team' in the subject line.

The Site Lead at Crewe and Stoke will be your personal contact to assist you with any complaints. We aim to respond to verbal complaints within 24 hours, where a written complaint is submitted to the Site Leads, we will aim to respond with an acknowledgement in 3 working days. We aim to give you a full response after investigating the complaint within 30 working days.

You can send your complaints to:

Crewe - Alchemy Dental, 203 Edleston Rd, Crewe, CW2 7HT or call us on 127021171.

If the Site Lead is unavailable, we will take brief details about the complaint and will arrange for a meeting when it is suitable for you and the practice. We will keep comprehensive and confidential records of your complaint, which will be stored securely and only be accessible by those who need to know about your complaint. If the complaint investigation takes longer than anticipated, the Site Lead will contact you at least every ten working day to keep you informed of the reason for any delays, the progress of the investigation and the proposed date it will be completed.

When the investigation has been completed, you will be informed of its outcome in writing. We will make our response clear, addressing each of your concerns as best as we can. You will also be invited to a meeting to discuss the results and any practical solutions that we can offer to you. These solutions could include replacing treatment, refunding fees paid, referring you for specialist treatments or other solutions that meet your needs and resolve the complaint.

We regularly analyse patient complaints to learn from them and to improve our services. That's why we always welcome your feedback, comments, suggestions and complaints. If you are dissatisfied with our response to a complaint you can take the matter further, please see the contacts below.
